We can restore your damaged photographs whether it be water damage, tears, sections missing, adding and subtracting people, and much more.

PLEASE READ CAREFULLY:

Photo Restoration pricing range from **\$9.99 to \$99.99 and more per photo** depending on the amount of work and time needed.

Scanning pricing ranges from **\$7.50 to \$25.00 and more** depending on size of your original and quantity.

We must scan your photograph in order to do photo restoration.

Please mail us your photographs so one of our skilled lab technicians can generate an accurate price quote for you. We must physically see the photograph to determine how much work and time will be involved for your order. We can not quote over the phone or email without your photos in hand. You will be contacted once your price quote has been generated. We DO NOT restore your original photograph(s). They will be scanned and digitally restored to make reprints from. Your original photograph(s) will be returned to you in the same condition.

Please indicate the print size that you do want printed from your restored photograph.

Prices are per print each
